

## **Electronic Annual Report and Certification Instructions Tier A Municipal Stormwater General Permit (NJ0141852)**

The New Jersey Department of Environmental Protection (Department) created an Electronic Annual Report and Certification to simplify the submission of your Annual Report and Certification. Using this form will allow your municipality to complete and submit the document electronically (via email).

Please utilize the following steps in completing and submitting the Electronic Annual Report and Certification:

- When you first open this document, you need to save it onto your hard drive with the correct file name. To do this, open the document using Microsoft Word, click on “file”, then “save as”. Name the file using your municipality’s ComCode (provided on pages 10 and 11), an underscore, and the year in which you are submitting the report.

**For example**, if you are submitting the 2007/2008 Annual Report and Certification for Absecon City / Atlantic County, you will save the document as “**0101\_2008**”.

- Once you have successfully named and saved the document you may begin to fill it out. Please ensure that you answer ALL fields, and provide accurate dates using the correct format (e.g., 05/02/2008).
- At the end of the document either a principal executive officer or a ranking elected official; or duly authorized representative from your municipality will need to “sign” the report. The person whose name appears in this section **MUST** be the person who submits (emails) the Annual Report and Certification to the Department.
- When you email the Annual Report and Certification to the Department please clearly put your municipality and county name in the subject of the email as well as “2007/2008 Annual Report” and attach the annual report document to the email.
- To ensure that your Annual Report and Certification is received by the appropriate Case Manager use the email addresses below:
