Municipal Stormwater Regulation Team

The following members of the Municipal Stormwater Regulation Team, over the last three years, developed the Municipal Stormwater Regulation Program, including amendments to the New Jersey Pollutant Discharge Elimination System Stormwater rules (N.J.A.C. 7:14A), the municipal stormwater general permits, and guidance documents and supporting materials:

Bruce Friedman, Project Manager

William Minervini

Kimberly Maxwell

Janet Jessel

Fred Bowers

Cindy Davis

Matthew Klewin

Tosin Sekoni

Tara Wood

Julie Ann Zoleta

GIS Work and Mapping – Linda Coles

Additional Acknowledgements

The following employees of the Department of Environmental Protection, Division of Watershed Management and Office of Communications have contributed in the preparation of this guidance document:

Kathy Bird

Sandra Blick

Kerry Kirk-Pflugh

John Laurita

Elizabeth Semple

Municipal Stormwater Advisory Group

The following members of the Municipal Stormwater Advisory Group assisted in the development of the Municipal Stormwater Regulation Programs:

Joseph Doyle, NJ Planning Officials

James DeMuro/Frank Scarantino,

NJ Association of Municipal Engineers/ NJ Association of Professional Engineers

Abigail Fair, Association of NJ Environmental Commissions

Andras Fekete, NJ Department of Transportation

Robert Simicsak, Township of Woodbridge

John Winterstella, NJ State League of Municipalities

Nancy Wittenberg, NJ Builders Association

Ray Zabihach, NJ Association of Counties

The program also included input from the New Jersey Department of Transportation's New Jersey Quality Initiative Group, with representatives of most of the State's transportation-related agencies and associations, and from the Best Management Practices Subcommittee composed of representatives from various municipal, county and state public works agencies.
